[Signature]

Extract from Chief Secretary's general note on questions relating to the Yelandur Jaghir.

X

X

X

X

On 5th July 1927, the Dewan minuted as follows in connection with the question of refund of criminal fines in the Jaghir:-

" Government will have to consider by and by the desirability of ~~xxx~~ relieving the Jaghirdar of this burden (bearing the cost of establishments required) simultaneously with the discontinuance of these out-of-date concessions, the Jaghirdar's -- activities and interests being limited more and more to the sphere of land revenue."

This was also the trend of the discussions which took place in 1916-21. But since then several of the points raised have been settled and in regard to others, tentative decisions have been reached. The present position and the action required are shown below:-

REVENUE.

- (i) Appeal against the orders of the Jaghirdar in revenue matters:

This is provided for in the amended Land Revenue Regulation of 1928. If the Jaghirdar exercises the powers of a --- Deputy Commissioner as his predecessors have done, the appeal - against his orders lies to the Deputy Commissioner of the District.

- (ii) Powers to be exercised by the present Jaghirdar on the assumption of management by him:

The powers shown in Appendix of the draft Government Order of 1920 may be given by a specific commission granted in favour of the Jaghirdar by name.

- (iii) Powers of Jaghir Officers, e.g., Amildar:

In this case also, it is advisable to issue a commission under Land Revenue Code.

(iv) Power to collect arrears of land revenue for more than two years, and

(v) Power to collect contribution for irrigation works as an arrear of land revenue;

These questions are coming up in two cases which are posted for hearing to 18th August 1928.

JUDICIAL.

(i) The Jaghirdar has never exercised, and there is no question now, of investing him with civil jurisdiction.

(ii) As regards criminal jurisdiction, the powers of a Magistrate were given by name to Sir P.N. Krishna Murthy but no precedent has been established and there is no necessity in future for giving such powers to the Jaghirdar. The practice of giving magisterial powers to the Jaghir Amildar has also been recently discontinued, as a result of the introduction of the Separation Scheme.

(iii) As the Jaghirdar has no longer to maintain any establishments on account of Judicial Administration, he will not be entitled to any income from Court Fees, Criminal Fines, etc.

POLICE.

Under Government Order No.P.5234-7/Pol.170-24 dated 5th April 1927 the Jaghirdar is invested with powers of a Superintendent of Police. It is perhaps desirable to cancel this order and relieve the Jaghirdar of the duties of Police administration; he may be required to pay contribution to the extent of the expenditure now incurred on the maintenance of the Police in the Jaghir.

Registration, Lock-ups.

Similar arrangements may be made with regard to these also.

LOCAL CESSES.

Local Cess is being collected by the Jaghirdar and an --

amount equal to or a little more than the collection is being utilised for the maintenance of roads, dispensaries and schools. It has been recently decided that education and railway cesses should be levied in the Jaghir and the proceeds credited to the respective District Funds.

A portion of the local cess in the Jaghir viz., that derived from ~~the~~ ^{the} cess, is already being credited to the District Fund and the simplest arrangement would, perhaps, be for the local cess on land revenue also to be made over to the District Board and to relieve the Jaghirdar of the obligation of maintaining roads and dispensaries.

IRRIGATION CESS.

As under the Sannad, the Jaghirdar is responsible for the upkeep of tanks, he may be allowed to collect this Cess and administer the fund in consultation with the Deputy Commissioner.

VILLAGE PANCHAYETS.

An Inspector of Village Panchayets has been appointed by Government and the whole of this work is being carried on by Government agency. The collection of Mohatarfa has been ordered to be discontinued.

MUZRAI.

The question whether any change is required in the present arrangements has to be investigated. Perhaps the remedies provided in the Muzrai Regulation for gross and persistent mismanagement of religious institutions may be sufficient.

DEVELOPMENT DEPARTMENTS.

The Agricultural and Sericulture Departments may be asked to interest themselves in the Jaghir area just as in other Taluks.

The trend of recent Government Orders has been to assert the permissive nature of such of the administrative powers as the

the Jaghirdar is left to exercise. These powers are exercised by him not as Jaghirdar but as a public functionary appointed by Government and they are revokable at the discretion of Government. It has also been made clear that Land Revenue and Excise Revenue from Toddy, are the only items of public income to which he has an indisputable right. The other items of receipts (e.g., criminal fines, Court Fee Revenue, Local Cesses &c.,) go to him only so long as he is allowed to perform the services to which these receipts are incidental.

Each of the remaining questions may be dealt with on these principles. A general order on the lines contemplated in 1920 does not appear to be expedient.

Intd. H.M.

OF THE GOVERNMENT OF HIS HIGHNESS
PROCEEDS THE MAHARAJA OF MYSORE.

Med 116-29-1

Letter No.C.591 L.B.26-27 dated 25th September 1926, from the President, District Board, Mysore, requesting that orders may be obtained for the levy of Railway and Education Cesses in the Yelandur Taluk.

2. Letter No.H.C.175/26-27 dated the 26th August 1926, from the Inspector General of Education in Mysore reporting that while every other part of the State has been contributing the usual portion of the Local Cess on Land Revenue which formed the old Village School Fund, the local cess realised in the Jahgirs of Yelandur and Bringeri are credited to the Jahgir funds and no part thereof is placed at the disposal of the Education Department and that the Bringeri Jahgir does not make any contribution for education purposes while the Yelandur Jahgir spends a sum of Rs.3,044/- per annum for this purpose and recommending that in order to ensure the Educational development of the Jahgirs uniformly with that of the rest of the State, the responsibility for Education in Bringeri and Yelandur be taken over entirely by the Government and with it the normal contributions for the local cess towards educational purposes be credited to Government.

3. Letter No.26 L.27 dated 22nd December 1927 from the then the Jahgirdar of Yelandur submitting a memorandum of representation in regard to the levy of Education and Railway Cesses in the Jahgir. Government Order No.L.4132-4/L.B.121-26-1 dated 23rd October 1928, directing that 75 per cent of the Local Cess collected

In each District be credited to the District Board

75 per cent be utilised for Education, and

the existing orders under which Local

in Jahgirs of Yelandur and Bringeri is

paid by the Jahgirdars themselves will be

5. Correspondence ending with letter No.G.591/26-27 dated 16th/25th August 1927 from the President, Mysore District Board, submitting a resolution of the District Board at the meeting held on the 6th August 1927 to the effect that the total cess collected in the Yelandur Jahgir be credited to the District Board to enable it to extend its operations to the Jahgir.
6. Correspondence ending with letter No.L.B.D2.Dis.67/28-29 dated 14/18th July 1923 from the President, Kadur District Board, submitting a resolution of the Board to the effect that the existing arrangement under which local cess in Sringeri is administered by the Sringeri Jahgirdar may continue.

Order No.L. 1544-74/AB 67-26

Dated, Bangalore, the 30th August 1929.
20-9-29

Government consider that the District Boards of Mysore and Kadur should be held responsible for providing facilities in the matter of communications, public health, education, economic development and other amenities to the Jahgir areas comprised within the District and that in order to enable them to discharge the responsibility it is necessary that the Administration of the local cess in the Jahgir areas should vest in the Boards.

In these circumstances Government are pleased to direct, modification of para-3 of Government order No.L.4132-4/L.B.

26-1 dated 23rd December 1926 that the Jahgirdars of Kadur and Sringeri be relieved from the 1st January 30 of their responsibility (January 1930) in respect of communications and primary

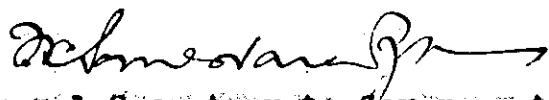

work and medical relief in their respective Jahgirs and District Boards of Mysore and Kadur and the Government be charged with effect from above said date.

3. Local cesses, that are now being levied in the Jahgir areas, will continue to be levied, but their levy, collection and administration will vest in the Revenue authorities as in the other parts of the District.

The cesses leviable on the Jahgir villages will be based on their recorded value which should be assessed in accordance with para 294 of the Mysore Revenue Manual. It is reported by the Superintendent of Revenue Survey that this amounts approximately to Rs.65,426/- in Yelandur and Rs.47,693/- in Sringeri. Seventy-six per cent of the proceeds of the local cess from the Jahgir Villages should be allotted to the District Board and the rest utilised by the Department of Education.

In addition to local cess, both education and railway cesses should be levied in the Yelandur Jahgir. In the Sringeri Jahgir only Education cess shall be levied for the present in addition to the local cess.

4. The Director of Public Instruction, the Senior Surgeon and the District Board of Mysore and Kadur are requested to arrange for taking over the charge of the institutions and roads that devolve on them under this order and provide for their due maintenance.

in regard to the ~~order~~
~~Notification No. 4132-48 L.B.~~

27-26-1 dated 23rd October 1926 directing

that 75 percent of the local cess collected on land revenue in each District be credited to the District Fund and the remaining 24 percent be utilised for Education and stating that until further orders the existing orders under which Local cess in the Jahgirs of Yelandur and Sringeri is collected and administered by the Jahgirdars will continue.

Order No. L.

Dated, Bangalore, the

Government are pleased to direct that ^{at-6 per in the Re the limit} Education Cess in Sringeri Jahgir and both Railway and Education Cesses in Yelandur Jahgir, at the rates at which the cesses are levied in the rest of the District,

concerned, ~~be levied from the Jahgirdars~~.

2. Government are also pleased to direct

that the usual percentages (24 percent on Land Revenue and 33% on Excise and other cessable items of revenue) out of 1 anna

local cess collection ^{in the} in the Jahgirs

be made over to the Education Department for meeting the cost of education and that the

Jahgirdars of Yelandur ^{in the Jahgir areas} be relieved entirely

of the expenditure on schools in Jahgirs ^{the} with effect from the 1st July 1928

Print as 3.0.

General Secretary to Govt.

To

The Deputy Commissioners of Kadur ^{and} Mysore Districts

The Revenue Commissioner in Mysore.

The Commissioner

submitted to His Highness.

It has been found that the Jaghirdar of Yelandur has been in practice exercising certain administrative powers in regard to various matters, far in excess of those generally ~~usually~~ conferred on Inamdars and also enjoying certain items of revenue which are usually retained by the Sovereign power. Questions have been raised from time to time and doubts expressed regarding the validity of several claims advanced by the Jaghirdar. For one thing, the people in the Jaghir have been placed at a disadvantage in not being in a position to derive full advantage from the measures of improvement introduced by Government in other parts of the State, with the result that the Jaghir is comparatively in a very backward condition regarding the condition of its roads, irrigation works, schools etc., and the efficiency of its Police and other services. Several complaints have been received from the people against the administration of the Jaghirdar and requests for being given representation on the public bodies in the state as in the case of other taluks.

2. The need for a more efficient control over the administration of the Jaghir has been felt and with a view to see how best this can be done and to lay down a general policy in regard to the relations between

the Government and the Jaghirdar,

I had the question of the terms of the original grant and the authorities under which the Jaghirdar is exercising the several powers, examined in some detail. The Chief Secretary's note dated 21st July 1920 in the file gives a ^{general idea} ~~bird's-eye~~ view of the several questions connected with the Jaghir and how they stand at present. The following para in the note summarises the general inference that can be drawn from a study of the question.

"The trend of recent Government Orders has been to assert the permissive nature of such of the administrative powers as the Jaghirdar is left to exercise. These powers are exercised by him not as Jaghirdar but as a public functionary appointed by Government and they are revokable at the discretion of Government. It has also been made clear that Land Revenue and Excise Revenue from Toddy, are the only items of public income to which he has an indisputable right. The other items of receipts (e.g., criminal fines, Court Fee Revenue, local cesses etc) go to him only so long as he is allowed to perform the services to which these receipts are incidental."

3. It is proposed to deal with each of the several questions pending settlement ^{individually on the basis of} ~~separately on~~ these general principles.

4. The papers are submitted for gracious information.
